

Day Training and Coastal Training Passages Presented by Windcraft Multihulls

- Day Training
 - Experience a full 8-hour day aboard a Corsair Cruze 970 with an experienced licensed USCG captain.
 - This experience is geared towards the skilled multihuller looking to develop their skills in either racing or cruising. We will smartly create an itinerary to your desired areas of focus. We can focus on race tactics, general fundamentals, natural cruising adventures (beaching/fishing/fun), and more.
 - This experience is based out of Pensacola, Fl.
 - Up to 4 passengers
 - Price: \$1,200

- Coastal Training Passages
 - Experience a 3-night adventure on the beautiful waters of the Emerald Coast with a licensed captain. This is an interactive hands-on adventure in which we sail a lap around Santa Rosa Island. You will learn race tactics, cruising tactics, beaching, anchoring, navigation, safety, and everything in-between.
 - All food and drink are included.
 - Up to 4 passengers.
 - Price: \$3,500
